1 General information and notes for shareholders

1.1 Implementation of the Delisting Offer pursuant to the German Securities Acquisition and Takeover Act

This offer document (the “**Offer Document**”) contains the delisting tender offer (the “**Delisting Offer**”) by Oak Holdings GmbH, having its seat in Düsseldorf, Germany, with business address at Ferdinand-Braun-Platz 1, 40549 Düsseldorf, Germany, registered in the commercial register (*Handelsregister*) of the local court (*Amtsgericht*) of Düsseldorf under HRB 98923 (the “**Bidder**”) to the shareholders of Vantage Towers AG, having its seat in Düsseldorf, Germany, with business address at Prinzenallee 11-13, 40549 Düsseldorf, Germany, registered in the commercial register (*Handelsregister*) of the local court (*Amtsgericht*) of Düsseldorf under HRB 92244 (“**Vantage Towers**” and, together with its subsidiaries, the “**Vantage Towers Group**”; the shareholders of Vantage Towers being the “**Vantage Towers Shareholders**”) for the acquisition of all of no-par value registered shares (*nennwertlose Namensaktien*) in Vantage Towers not directly held by the Bidder, each representing a pro rata amount of Vantage Towers’ share capital (*Grundkapital*) of EUR 1.00 per share (ISIN DE000A3H3LL2), and in each case together with all ancillary rights associated with these shares at the time of the settlement of the Delisting Offer (in particular the respective dividend or compensation entitlement) (each no-par value registered share of Vantage Towers a “**Vantage Towers Share**” and together the “**Vantage Towers Shares**”).

The Vantage Towers Shares are admitted to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) with additional post-admission obligations (Prime Standard). Vantage Towers Shares are also included in the Berlin Second Regulated Market. The Berlin Second Regulated Market is part of the open market (*Freiverkehr*) pursuant to section 54 para. 1 of the Rules of the Berlin Stock Exchange (*Börsenordnung der Börse Berlin*), but a regulated market in the meaning of Title III of MiFID II. Furthermore, the Vantage Towers Shares are traded on the regulated unofficial market (*Freiverkehr*) of the stock exchanges in Berlin, Düsseldorf, Hamburg, Hanover, Munich and Stuttgart as well as via Tradegate Exchange. The Vantage Towers Shares are included in the MDAX and TecDAX share indices.

Pursuant to section 39 para. 2 sentence 3 no. 1 of the German Stock Exchange Act (*Börsengesetz*, the “**Stock Exchange Act**”), at the time a delisting application is filed, an offer document in accordance with the provisions of the German Securities Acquisition and Takeover Act (*Wertpapiererwerbs- und Übernahmegesetz*, the “**Takeover Act**”) must have been published, which refers to the delisting application and which must comply with the provisions of the Takeover Act in conjunction with the Regulation on the Content of the Offer Document, the Consideration for Takeover Offers and Mandatory Offers and the Release from the Obligation to publish and to make a Tender Offer (*Verordnung über den Inhalt der Angebotsunterlagen, die Gegenleistung bei Übernahmeangeboten und Pflichtangeboten und die Befreiung von der Verpflichtung zur Veröffentlichung und zur Abgabe eines Angebots – WpÜG-Angebotsverordnung*, the “**Takeover Offer Regulation**”), as well as the requirements set forth in section 39 of the Stock Exchange Act. This Offer Document also contains the information required pursuant to section 2 no. 7a of the Takeover Offer Regulation.

As a result, the Delisting Offer and this Offer Document shall also comply with the requirements set forth in section 39 para. 3 of the Stock Exchange Act. Accordingly, the

agreements that will be entered into between the Bidder and the accepting Vantage Towers Shareholders are not subject to any completion conditions as required by section 39 para. 3 sentence 1 of the Stock Exchange Act. In addition, the Bidder offers a cash consideration in euro for the Vantage Towers Shares as required by section 39 para. 3 sentence 2 of the Stock Exchange Act.

As described in more detail in Section 8.4 of this Offer Document, Vantage Towers and the Bidder have entered into a Delisting Agreement (as defined in Section 8.4 of this Offer Document), pursuant to which Vantage Towers has undertaken, subject to certain conditions, (i) to apply for the revocation of the admission of the Vantage Towers Shares to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (the “**Delisting**”) and (ii) to terminate the inclusion of the Vantage Towers Shares in the regulated unofficial market (*Freiverkehr*) of the stock exchanges in Berlin (including the inclusion in the Berlin Second Regulated Market), Düsseldorf, Hamburg, Hanover, Munich and Stuttgart as well as Tradegate Exchange and any other stock exchange that Vantage Towers becomes aware of. The revocation of the admission will not take effect prior to the expiry of the Acceptance Period (as defined in Section 5.2 of this Offer Document).

The Delisting Offer is exclusively carried out in accordance with German law and certain applicable securities law provisions of the United States of America (the “**United States**”), in particular Regulation 14E of the US Securities Exchange Act of 1934, and applicable rules and regulations promulgated thereunder.

The publication of the Offer Document for this Delisting Offer has been exclusively approved by the German Federal Financial Supervisory Authority (*Bundesanstalt für Finanzdienstleistungsaufsicht*, “**BaFin**”). No other registrations, approvals or authorisations have been applied for or granted in respect of this Offer Document and/or the Delisting Offer outside of the Federal Republic of Germany. As a result, Vantage Towers Shareholders should not rely on the application of foreign laws for investor protection.

1.2 Special information for Vantage Towers Shareholders whose place of residence, seat or habitual abode is in the United States of America

The Delisting Offer is being made in the United States in reliance on, and in compliance with certain applicable securities law provisions of the United States, in particular Regulation 14E of the US Securities Exchange Act of 1934, and applicable rules and regulations promulgated thereunder.

The Delisting Offer refers to shares of a German company and is subject to the legal provisions of the Federal Republic of Germany regarding the implementation and disclosure requirements for such an offer, which differ substantially from the corresponding legal provisions of the United States. For example, certain financial information in this Offer Document has been determined in accordance with the International Financial Reporting Standards (“**IFRS**”) as adopted by the European Union and may therefore not be comparable to financial information on US companies and other companies whose financial information is determined in accordance with the Generally Accepted Accounting Principles of the United States (U.S. GAAP). Furthermore, the payment and settlement procedure with respect to the Delisting Offer will comply with the relevant German rules, which differ from payment and settlement procedures customary in the United States, particularly with regard to the payment date of the consideration.

Neither the US Securities and Exchange Commission nor any state securities commission in the United States have approved or disapproved this Delisting Offer or passed upon the

adequacy or accuracy of the information in this Offer Document or any other documentation relating to the Delisting Offer or of the merits of the Delisting Offer. Any representation to the contrary is a criminal offence in the United States. It may be difficult for Vantage Towers Shareholders whose place of residence, seat or place of habitual abode is in the United States (“**US Shareholders**”) to enforce their rights and claims under US federal securities laws because both the Bidder and Vantage Towers have their seat outside the United States and all of the relevant officers and directors of Vantage Towers are resident outside of the United States. US Shareholders may not be able to sue a company seated outside of the United States nor its officers or directors before a court outside of or in the United States for violations of US securities laws. Furthermore, it may be difficult to enforce the decisions of a US court against a company seated outside of the United States.

In the United States, the Delisting Offer is made solely by the Bidder and not by any other party.

1.3 Publication of the decision to launch the Delisting Offer

On 20 March 2023, the Bidder published its decision to launch the Delisting Offer in accordance with section 10 para. 1 sentence 1 of the Takeover Act in conjunction with section 39 para. 2 sentence 3 no. 1 of the Stock Exchange Act. The Offer Document as well as any other documents related to the Delisting Offer, notwithstanding their publication on the internet as required under German law, are not designated for publication, dispatch, distribution or dissemination in jurisdictions other than the Federal Republic of Germany, the Member States of the European Union and the

European Economic Area and the United States. 1.5 Acceptance of the Delisting Offer outside the Federal Republic of Germany

The Delisting Offer can be accepted by all domestic and foreign Vantage Towers Shareholders in accordance with the terms and provisions set out in this Offer Document and the respective applicable legal provisions. However, the Bidder points out that the acceptance of the Delisting Offer outside of the Federal Republic of Germany, the Member States of the European Union and the European Economic Area and the United States may be subject to legal restrictions. Vantage Towers Shareholders who come into possession of this Offer Document outside of the Federal Republic of Germany, the Member States of the European Union and the European Economic Area and the United States, who wish to accept the Delisting Offer outside of the Federal Republic of Germany, the Member States of the European Union and the European Economic Area and the United States and/or who are subject to legal provisions other than the legal provisions of the Federal Republic of Germany, the Member States of the European Union and the European Economic Area and the United States are advised to inform themselves of the relevant applicable legal provisions and to comply with them. The Bidder assumes no responsibility for the acceptance of the Delisting Offer outside of the Federal Republic of Germany, the Member States of the European Union and the European Economic Area and the United States being permissible.

The Takeover Offer was accepted for a total of 38,114,198 Vantage Towers Shares. This corresponds to approx. 7.54% of the share capital and voting rights in Vantage Towers. After all completion conditions under the Takeover Offer had been fulfilled, the Takeover Offer was settled on 22 March 2023.

Rights issued during the term of this authorisation until its utilisation in analogous application of section 186 para. 3 sentence 4 of the Stock Corporation Act and which enable or oblige to the subscription of shares of Vantage Towers shall also count towards this 10%-limit. 8 Background to the Delisting Offer

8.1 The Transaction

On 9 November 2022, Vodafone GmbH and Oak Consortium entered into an investment agreement (as amended from time to time, the “**Investment Agreement**”). In the Investment Agreement the contracting parties agreed to create a co-controlled joint venture comprising Oak Holdings 1, Oak Holdings 2 and the Bidder which shall hold the joint indirect participation of said parties in Vantage Towers (the “**Transaction**”). For the purpose of the creation of the co-controlled joint venture, the parties to the Investment Agreement in particular agreed that (i) Vodafone GmbH shall contribute in part through Oak Holdings 1 and Oak Holdings 2 and directly sell and transfer in part its shareholding in Vantage Towers in the amount of approx. 81.72% of the share capital and voting rights in Vantage Towers held at the time of the execution of the Investment Agreement to the Bidder and that (ii) Vodafone GmbH shall sell and transfer a certain number of shares in Oak Holdings 1 to Oak Consortium such that Oak Consortium will hold at least approx. 31.6% but not more than 50% of the share capital and voting rights in Oak Holdings 1. The transactions described in Section 6.8.4 form part of the completion of the Investment Agreement.

In addition, Vodafone GmbH, Oak Consortium and Oak Holdings 1 agreed to enter into the Shareholders’ Agreement, under which they indirectly through Oak Holdings 1 and Oak Holdings 2 co-control the Bidder based on the principles on “common control by more than one parent company” (*Mehrmütterherrschaft*) pursuant to section 17 para. 1 of the Stock Corporation Act due to the governance of Oak Holdings 1 agreed in the Shareholders’ Agreement. The Shareholders’ Agreement was signed and became effective on 22 March 2023.

Furthermore, it was agreed in the Investment Agreement that the Bidder shall submit the Takeover Offer (see Section 1.6 of this Offer Document) to the Vantage Towers Shareholders. The offer document for the Takeover Offer (the “**Takeover Offer Document**”) was published on 13 December 2022.

Lastly, the Bidder, Vodafone GmbH, Oak Consortium and Vantage Towers on 9 November 2022 entered into a business combination agreement which sets forth principal terms and conditions of the Takeover Offer as well as the mutual intentions and understandings of the parties with regard thereto and the future corporate governance structure of Vantage Towers (the “**Business Combination Agreement**”).

Since the completion of the Transaction and the settlement of the Takeover Offer on 22 March 2023, the Bidder directly holds an amount of approx. 89.26% of the share capital and voting rights in Vantage Towers.

8.2 Economic and strategic background of the Delisting Offer and the Delisting

The Bidder is convinced that the planned Delisting of the Vantage Towers Shares and the intended immediate termination of all inclusions of the Vantage Towers Shares in all other organised trading platforms (in particular the open markets) is in the interest of Vantage Towers.

The revocation of the stock exchange listing and the cessation of inclusions in other trading platforms enable Vantage Towers to save considerable costs associated with the maintenance of a stock exchange listing, to reduce regulatory expenses and to release the management capacities claimed by the stock exchange listing. Furthermore, for financing

purposes Vantage Towers will not need access to the stock exchange due to alternative sources of financing. In addition, the Delisting Offer offers the Vantage Towers Shareholders an immediate and liquidity-independent disinvestment opportunity at an attractive price.

8.3 Prerequisite for the Delisting

The Bidder and Vantage Towers jointly intend that the management board of Vantage Towers applies for the revocation of the admission of all Vantage Towers Shares to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) pursuant to section 39 para. 2 sentence 1 of the Stock Exchange Act prior to the end of the Acceptance Period. According to section 39 para. 2 sentence 3 no. 1 of the Stock Exchange Act, a revocation of the admission of shares to trading on a regulated market is only legally permissible if at the same time a delisting offer in accordance with the Takeover Act and section 39 para. 3 of the Stock Exchange Act has been published to all outstanding shareholders of the company. Without the Delisting Offer, the management board of Vantage Towers would not be able to apply for the Delisting.

8.4 Delisting Agreement

On 20 March 2023, the Bidder and Vantage Towers entered into a delisting agreement, which sets forth principal terms and conditions of the Delisting Offer as well as the mutual intentions and understandings of the parties with regards thereto and the Delisting (the “**Delisting Agreement**”).

The substantial contents of the Delisting Agreement can be summarised as follows:

8.4.1 Delisting application and delisting

The Delisting Agreement stipulates that Vantage Towers shall file the application for revocation of the admission of all Vantage Towers Shares to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) (“**Delisting Application**”) prior to the expiration of the Acceptance Period. The Bidder and Vantage Towers agreed to use their best efforts to promptly take all reasonable steps to effectuate the Delisting as soon as possible upon submission of the Delisting Application.

Furthermore, Vantage Towers undertook that it will, upon submission of the Delisting Application, take all reasonable steps and actions to end any inclusion of Vantage Towers Shares for trading on the open market (*Freiverkehr*) of the stock exchanges in Berlin (including the inclusion in the Berlin Second Regulated Market), Düsseldorf, Hamburg, Hanover, Munich and Stuttgart, via Tradegate Exchange and any other stock exchange that Vantage Towers becomes aware of.

Lastly Vantage Towers agreed that it will refrain from filing any application for Vantage Towers Shares on any regulated market (*regulierter Markt*) of any stock exchange or take any action to cause or support the inclusion of Vantage Towers Shares in the open market (*Freiverkehr*) of any stock exchange.

8.4.2 Material conditions of the Delisting Offer

The Delisting Agreement provides that the Bidder submits this Delisting Offer to the Vantage Towers Shareholders. With regard to the Delisting Offer, the material terms were agreed, in particular the Offer Consideration and the Acceptance Period.

8.4.3 Support of the Delisting Offer

Vantage Towers agreed that the management board of Vantage Towers shall, and will use its reasonable endeavours, always subject to mandatory law, that the supervisory board of Vantage Towers will, confirm in their reasoned statement pursuant to section 27 para. 1 of the Takeover Act that the Delisting Application will be submitted and that, in their opinion, (i) the Delisting Offer is in the best interest of Vantage Towers, (ii) the consideration for the Delisting Offer is fair, adequate and attractive, (iii) that it approves the intentions of the Bidder and that, therefore, the management board and the supervisory board support the Delisting Offer and recommend shareholders to accept it.

Such support and recommendation is subject to certain requirements, including that (i) no competing offer in relation to all Vantage Towers Shares with reasonable chances of success and providing for more beneficial terms than the Delisting Offer, including a higher offer consideration per Vantage Towers Share, has been announced or launched by a third party, or that – in case of the launch or announcement of such a competing offer – the Bidder has matched such terms of the competing offer by amending the Delisting Offer and (ii) no other circumstance exists that would cause the members of Vantage Towers' management board and, as applicable, Vantage Towers' supervisory board, to violate their duties under applicable law. If these requirements are not met, Vantage Towers' management board and supervisory board are no longer under an obligation to support the Delisting Offer.

8.4.4 Term of the Delisting Agreement

The Delisting Agreement has a fixed term of twelve months. In addition, the Delisting Agreement provides the Bidder and Vantage Towers with an extraordinary termination right in case of a breach of material provisions of the Delisting Agreement.

8.4.5 Business Combination Agreement

The terms and provisions of the Business Combination Agreement remain unaffected by the Delisting Agreement and certain obligations under the Business Combination Agreement are included in the Delisting Agreement by way of reference.

Additional aspects of the Delisting Agreement are being discussed in Section 9 of this Offer Document.

9 Intentions of the Bidder and the Controlling Parties

The Bidder and the Controlling Parties pursue identical intentions in relation to Vantage Towers as follows. Neither the Bidder nor the Controlling Parties have any intentions pursuant to section 11 para. 2 sentence 3 no. 2 of the Takeover Act which deviate from the intentions described in Sections 9.1 to 9.7 of this Offer Document.

9.1 Delisting

Pursuant to the Delisting Agreement, the management board of Vantage Towers shall file the Delisting Application. In order to facilitate the Delisting, the Bidder prepared and

published the Delisting Offer in accordance with section 39 para. 2 sentence 3 no. 1 of the Stock Exchange Act.

If the management board of the Frankfurt Stock Exchange approves the application by Vantage Towers' management board, it will revoke the admission of the Vantage Towers Shares to trading on the regulated market of the Frankfurt Stock Exchange. In such event, Vantage Towers' management board will not apply for an admission of the Vantage Towers Shares to trading on the open market of the Frankfurt Stock Exchange. Vantage Towers will further not apply for admission to trading of the Vantage Towers Shares on another regulated market or any other organised trading venue.

In case of a revocation of the admission of the Vantage Towers Shares to trading on the regulated market of the Frankfurt Stock Exchange Vantage Towers Shares that have not been tendered during the Acceptance Period continue to be traded under ISIN DE000A3H3LL2 on the regulated market of the Frankfurt Stock Exchange until the revocation takes effect. According to section 46 para. 3 of the Rules of the Frankfurt Stock Exchange, a revocation of admission to trading in accordance with section 39 para. 2 sentence 3 no. 1 of the Stock Exchange Act will become effective within three trading days after the publication of the revocation decision by the management board of the Frankfurt Stock Exchange.

The revocation of the admission to trading on the regulated market of Frankfurt Stock Exchange will not become effective prior to the expiry of the Acceptance Period.

The Bidder expects that the management of the Berlin Stock Exchange (*Börse Berlin*) will promptly end the inclusion of the Vantage Towers Shares in the Berlin Second Regulated Market of the Berlin Stock Exchange pursuant to section 17 para. 2 of the Berlin Stock Exchange Rules after the revocation of the admission to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) will become effective, since the inclusion requirements will then no longer be met.

The Delisting will in particular have the following consequences for the Vantage Towers Shares and the Vantage Towers Shareholders:

- In the event of the Delisting, trading of the Vantage Towers Shares on the regulated market of the Frankfurt Stock Exchange will end. As a result, the prerequisites for the inclusion of the Vantage Towers Shares in the Berlin Second Regulated Market of the Berlin Stock Exchange are no longer met. The Vantage Towers Shares are not admitted to trading on another regulated market within Germany or the European Union and/or the European Economic Area. Therefore, Vantage Towers Shareholders will no longer have access to a regulated market for Vantage Towers Shares, which may detrimentally affect the ability to trade in Vantage Towers Shares.
- Upon completion of the Delisting, the inclusion of Vantage Towers Shares in the MDAX and in the TecDAX, indices calculated by Deutsche Börse AG, will end.
- According to the Delisting Agreement, Vantage Towers shall also take all reasonable steps to ensure that, to the extent possible, the inclusion of the Vantage Towers Shares in all organised trading venues (in particular the open markets) is terminated. Even if the Vantage Towers Shares continue to be traded on certain organised trading platforms the Bidder assumes that the trading volumes in the Vantage Towers Shares will significantly decrease and may no longer allow typical trading activities.

- It cannot be ruled out that the Delisting Applications may have an adverse effect in the future, for instance, after settlement of the Delisting Offer having an adverse effect on the stock market price of Vantage Towers Shares and could result in share price losses.
- Upon completion of the Delisting, certain legal provisions, in particular transparency and reporting obligations, are no longer applicable to Vantage Towers, the Vantage Towers Shareholders and the Vantage Towers Shares. Among others, the rules on the publication and submission of financial statements to the company register including the requirements to prepare, publish and submit annual and semi-annual financial reports pursuant to sections 114 et seqq. of the German Securities Trading Act (*Wertpapierhandelsgesetz*) as well as the rules on the supervision of financial reports pursuant to sections 106 et seqq. of the German Securities Trading Act (*Wertpapierhandelsgesetz*) will no longer apply after completion of the Delisting. Furthermore, upon completion of the Delisting and partially also with the intended termination of the trading in the open market, where such trading was brought about by Vantage Towers, trading with Vantage Towers Shares will no longer benefit from several transparency and trading rules, particularly sections 33 et seqq. and 48 et seqq. of the German Securities Trading Act (*Wertpapierhandelsgesetz*), Articles 17 (ad-hoc announcement), 18 (insider lists) and 19 (director's dealings) of the Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (market abuse regulation) and repealing Directive 2003/6/EC of the European Parliament and of the Council and Commission Directives 2003/124/EC, 2003/125/EC and 2004/72/EC as well as certain Sections of the Rules of the Frankfurt Stock Exchange. This will result in a significantly lower level of protection for Vantage Towers Shareholders.
- After completion of the Delisting, the German Corporate Governance Code will no longer be applicable to Vantage Towers and accordingly Vantage Towers will no longer be obliged to consider to apply its principles, recommendations or suggestions or to submit a declaration of compliance (*Entsprechenserklärung*) pursuant to section 161 of the Stock Corporation Act.

9.2 Future business activities, future assets and future obligations of Vantage Towers

The Bidder intends to accelerate growth and create further value at Vantage Towers with the sponsors backing Oak Consortium both having extensive experience investing in and operating digital infrastructure companies. The Bidder intends to fully support Vantage Tower's defined and successful growth strategy and Vantage Towers as well as the management board of Vantage Towers in their continued effort to take Vantage Towers and the rest of the Vantage Towers Group to its next stage of growth, enhancing further its position as one of the leading tower groups in Europe.

The Bidder intends that the Vantage Towers Group companies on the one hand and Vodafone GmbH or any of its affiliates on the other hand implement and enter into good faith discussions regarding a number of amendments to master services agreements in Germany, Spain, Romania, Portugal, the Czech Republic and Ireland (the "**Master Service Agreements**") and notes that the relevant Vodafone parties and Vantage Towers parties are in the process of implementing this. The changes to be implemented relate to Vodafone's ability to exit certain sites, the roll-out of built-to-suit sites and future inflationary price adjustments. Further amendments shall *inter alia* reflect that Vodafone Group (and the local Vodafone Group companies) play a specific role as Vantage Tower's largest customer and

anchor tenant in all local markets, procuring critical services from local Vantage Group companies (including Vantage Towers as the relevant local Vantage Group company for the German market) under local master services agreements with very limited substitutes for such services. The amendments, taken as a whole, are intended to not negatively impact the overall risk profile for Vantage Towers, and the risk balance as between Vantage Towers and the Vodafone Group under the Master Service Agreements.

Apart from the potential sale of the photovoltaic activities as well as the wind power activities of Vantage Towers to the Bidder and/or its affiliated companies against an adequate purchase price, the Bidder has no intention to, nor intends to cause Vantage Towers to, divest parts of its current business operations or assets.

Beyond the above, Bidder has no intention which would result in an increase of Vantage Towers Group's current indebtedness and the future obligations of Vantage Towers at least until the DPLTA (see Section 9.6.1 of this Offer Document) becomes effective. The Bidder and Oak Holdings 2 note that Vantage Towers has called its EUR 2.2 billion bonds in accordance with the terms and conditions of such bonds and that Oak Holdings 2 has provided Vantage Towers with the means necessary to repay these bonds.

9.3 Seat of Vantage Towers, site of material parts of the business

The Bidder acknowledges that Vantage Towers has very close connections to Düsseldorf where it has its current headquarters for international operations and holding level functions. The Bidder therefore intends to maintain Düsseldorf as Vantage Towers' headquarters.

The Bidder does not intend to change the registered seat of Vantage Towers or to close or change any locations of or to materially alter any important sites, operations or administrative units of Vantage Towers Group.

9.4 Management board and supervisory board of Vantage Towers

9.4.1 Management board

The Bidder has full trust and confidence in the current members of the management board of Vantage Towers. It is further intended that the size of the Vantage Towers management board shall be increased. The Bidder intends to fully support the management board and the extended management team following the consummation of the Delisting Offer. The Bidder therefore intends that Vantage Towers and its management board will engage in good faith discussions on the renewal and/or extension of the respective management board service agreements at at least comparable terms and conditions, provided that the Bidder acknowledges that Mr Vivek Badrinath does not wish to renew his term of office as CEO of Vantage Towers beyond 2023. The Bidder intends to support Vantage Towers in the succession process.

Apart from that, the Bidder intends the management board to continue to manage Vantage Towers independently and exclusively in its own responsibility until the DPLTA (see Section 9.6.1 of this Offer Document) becomes effective. Consequently, the Bidder intends, until the DPLTA becomes effective, not to issue directives to the management board or any of its members.

9.4.2 Supervisory board

The Bidder intends to reduce the size of the supervisory board of Vantage Towers from 9 to 6 members. The Bidder further intends, subject to applicable laws, to be

represented in the supervisory board of Vantage Towers. Pursuant to the Shareholders' Agreement (see Section 8.1 of this Offer Document), it is therefore intended that the supervisory board shall be composed identically to the shareholders' committee of Oak Holdings 1, which initially shall also consist of six members.

The Bidder intends that the new members of the supervisory board of Vantage Towers shall be elected by the annual general meeting 2023 of Vantage Towers. The Bidder has not yet formed any intention with regard to the supervisory board members who will resign from office in addition to Rosemary Martin and Johan Wibergh, who have resigned as members of the supervisory board of Vantage Towers with effect as of 31 December 2022. The Bidder expects that the extraordinary general meeting of Vantage Towers on 5 May 2023 will elect Pierre Klotz and Alberto Ripepi as new members of the supervisory board of Vantage Towers.

9.5 Employees, terms and conditions of employment and employee representation

The Bidder views the Transaction as an opportunity for growth and further development also for the Vantage Towers' employees and other stakeholders.

The Bidder intends to respect the rights of the employees and their representations in the Vantage Towers Group and not to interfere with the composition and scope of tasks of the existing employee representations including the current structures established in connection therewith. Moreover, the Bidder is supportive of Vantage Towers' intention to preserve the employment numbers and, as far as such packages are not automatically affected by the Transaction, to maintain the financial benefit packages of the employees of Vantage Towers Group at least at the current level for a minimum of two years.

Furthermore, the Bidder acknowledges that the currently existing share programs of Vantage Towers may come to an end in connection with the Transaction. The Bidder intends to support that Vantage Towers, subject to applicable law, establishes against this background a suitable successor long term incentive program for its key employees and the members of the management board, intended at comparable or improved terms although those may differ from the existing programs.

9.6 Possible structural measures

9.6.1 Domination and profit and loss transfer agreement

On 23 March 2023, the management board and the supervisory board of Vantage Towers approved the final draft of a domination and profit and loss transfer agreement between the Bidder as controlling and Vantage Towers as controlled entity (the "**DPLTA**"). The DPLTA requires for its effectiveness the approval of the general meeting of Vantage Towers as well as the approval of the shareholders' meeting of the Bidder. The approving resolution of the shareholders' meeting of the Bidder shall be adopted on 4 May 2023. The approving resolution of the general meeting of Vantage Towers shall be adopted at the extraordinary general meeting of Vantage Towers on 5 May 2023.

From effectiveness of the DPLTA upon its registration in the commercial register (*Handelsregister*) at the registered seat of Vantage Towers, the Bidder would be able to give binding instructions to Vantage Towers' management board with regard to the management of Vantage Towers and would thus exercise control over the

management of Vantage Towers. In addition, Vantage Towers would be obliged to transfer to the Bidder all annual net profits that would accrue without such transfer of profits, less any losses carried forward and any amounts appropriated to the legal reserves. In return, the Bidder would be obliged to compensate all annual net losses that would be incurred by Vantage Towers if no domination and profit and loss transfer agreement was in place, provided that such annual net losses have not yet been offset by any withdrawals from other retained earnings formed during the term of the domination and profit and loss transfer agreement. The final draft of the DPLTA provides, inter alia, for an obligation of the Bidder to (i) offer the outside Vantage Towers Shareholders to acquire their Vantage Towers Shares for an appropriate consideration in cash in the amount of EUR 27.85 per Vantage Towers Share, and (ii) to pay the remaining outside Vantage Towers Shareholders a compensation by way of annually recurring payments in the net amount of EUR 1.49 (gross amount before current corporate income tax and solidary surcharge of EUR 1.60) per Vantage Towers Share. The amounts of compensation in cash and annual recurring compensation are determined based on the Valuation Report by Grant Thornton (see Section 10.2 of this Offer Document) based on the circumstances existing at the time when Vantage Towers' general meeting passes the relevant resolution on the DPLTA, i.e. on 5 May 2023. Grant Thornton will on 5 May 2023 provide an update statement (*Stichtagserklärung*) regarding their valuation. Based on the update statement, the amount of cash compensation and recurring compensation provided for in the final draft of the DPLTA may change. I-ADVISE AG as independent court appointed auditor within the meaning of section 293b of the Stock Corporation Act confirmed the adequacy of cash compensation and the annual recurring compensation. The appropriateness of the amount of the compensation in cash and recurring compensation per Vantage Towers Share can be reviewed in a judicial appraisal procedure (*Spruchverfahren*).

9.6.2 Squeeze-out

If, at any time, the Bidder and the Controlling Parties, directly or indirectly, hold a number of Vantage Towers Shares which is sufficient for the purpose of demanding a transfer of the minority shareholders' Vantage Towers Shares to the principal shareholder, in return for the granting of appropriate cash compensation (squeeze-out), the Bidder intends to undertake the measures required for such a squeeze-out of the outside Vantage Towers Shareholders. The Bidder's intention to pursue a squeeze-out has already been published in the notification of the Bidder's decision to launch the Takeover Offer in accordance with section 10 para. 1 sentence 1 of the Takeover Act and Vantage Towers' corresponding ad hoc notification, both dated 9 November 2022. Specifically:

- (i) If, at any time, the Bidder holds not less than 95% of Vantage Towers' share capital, the Bidder intends to carry out the exclusion of the outside Vantage Towers Shareholders in exchange for appropriate cash compensation, pursuant to sections 327a et seq. of the Stock Corporation Act (squeeze-out under stock corporation law). The amount of the cash compensation would be calculated based on the circumstances existing at the time when Vantage Towers' general meeting passes the relevant resolution. The appropriateness of the amount of the cash compensation can be reviewed in a judicial appraisal procedure (*Spruchverfahren*). The amount of

appropriate cash compensation might be equal to that of the Offer Consideration, but might also be higher or lower.

- (ii) If the Bidder holds at least 90% of Vantage Towers' share capital, the Bidder intends, if commercially viable, to evaluate to carry out the exclusion of the outside Vantage Towers Shareholders in exchange for appropriate cash compensation pursuant to section 62 para. 5 of the German Transformation Act (*Umwandlungsgesetz*) in conjunction with sections 327a et seq. of the Stock Corporation Act (squeeze-out under transformation law).

9.7 Future business activities of the Bidder and the Controlling Parties

The effects of completion of the Delisting Offer on the assets, financial position and results of operations of the Bidder are described in Section 15.4 of this Offer Document on the basis of the Delisting Offer being accepted for all Vantage Towers Shares and certain other assumptions. In order to pay the Offer Consideration the Bidder may use and has access to funds under the committed facility (see Section 14.2 of this Offer Document).

Apart from the intentions set out in Sections 9.1 to 9.7 of this Offer Document and the expected effects of completion of the Delisting Offer on the assets, financial position and results of operations of the Bidder set out in Section 15.4 of this Offer Document or where they are party to any of the agreements described in Section 9 of this Offer Document, the Bidder and the Controlling Parties have no intentions which might have effects on the future business activities, the seat and sites of material parts of the business, the use of their assets, their future obligations, their employees and their representatives, their members of the management bodies, and material changes to the conditions of employment at the Bidder or the Controlling Parties.

10 Explanation of the determination of the Offer Consideration

10.1 Minimum consideration

In accordance with section 39 para. 3 sentence 2 of the Stock Exchange Act in conjunction with section 31 para. 1 of the Takeover Act and section 31 para. 7 of the Takeover Act in conjunction with sections 3 to 5 of the Takeover Offer Regulation, the minimum consideration for the Vantage Towers Shares is the higher of the following prices:

- (i) Pursuant to section 39 para. 3 sentence 2 of the Stock Exchange Act in conjunction with sections 31 paras. 1 and 7 of the Takeover Act and section 4 of the Takeover Offer Regulation (in conjunction with section 31 para. 6 of the Takeover Act), the consideration must be at least equal to the highest consideration paid or agreed to be paid by the Bidder, persons acting jointly with the Bidder within the meaning of section 2 para. 5 of the Takeover Act or their subsidiaries for the acquisition of Vantage Towers Shares (or the entering into corresponding agreements which entitle to acquire Vantage Towers Shares) within the last six months prior to the publication of the Offer Document on 5 April 2023.

In the relevant time period pursuant to section 4 of the Takeover Offer Regulation (in conjunction with section 31 para. 6 of the Takeover Act) the Bidder, persons acting jointly with the Bidder within the meaning of section 2 para. 5 of the Takeover Act or subsidiaries entered into the following relevant transactions in relation to Vantage Towers Shares:

- (a) On 9 November 2022, Vodafone GmbH and Oak Consortium entered into the Investment Agreement (see Section 8.1 of this Offer Document), in which the contracting parties agreed to several share transfers relating to Vantage Towers Shares. The consideration agreed in the Investment Agreement for each of these transfers of Vantage Towers Shares did not exceed EUR 32.00 (see section 6.8.1 of this Offer Document).
- (b) On 9 November 2022, the Bidder concluded the Irrevocable Undertaking with ANISE ASSET HOLDING PTE. LTD. with respect to 12,286,625 Vantage Towers Shares, corresponding to a participation of 2.43% of the share capital and voting rights in Vantage Towers. The Takeover Offer was accepted for all of the 12,286,625 Vantage Towers Shares (see section 6.8.2 of this Offer Document).
- (c) On 14 November, Vodafone, a person acting jointly with the Bidder within the meaning of section 2 para. 5 of the Takeover Act, and DLM-TW HOLDINGS S.À R.L entered into a share purchase agreement for the sale and transfer of all 20,833,333 Vantage Towers Shares held by DLM-TW HOLDINGS S.À R.L to Vodafone at a purchase price of EUR 32.00 per Vantage Towers Shares (see section 6.8.3 of this Offer Document).
- (d) On 8 March 2023, Oak Holdings 1 and Oak Holdings 2 acquired the Vantage Towers Contribution Shares in capital increases against the issuance of new shares in Oak Holdings 1 and Oak Holdings 2, respectively (see Section 6.8.4(i) of this Offer Document). The value of the consideration granted by Oak Holdings 1 and Oak Holdings 2 for the acquisition of the Vantage Towers Contribution Shares, respectively, did not exceed a maximum amount of EUR 28.00 per Vantage Towers Share and is below the Offer Consideration (see the announcement pursuant to section 23 para. 2 of the Takeover Act under the Takeover Offer of 9 March 2023).
- (e) On 22 March 2023, Vodafone GmbH transferred the 144,708,982 Oak Holdings 1 Sold Shares to Oak Consortium by way of a share transfer agreement at a purchase price of EUR 32.00 per Oak Holdings 1 Sold Share (see Section 6.8.4(ii) of this Offer Document). Due to Oak Holdings 1 holding indirectly through the Bidder the participation in Vantage Towers, this corresponds to an indirect acquisition of also 144,708,982 Vantage Towers Shares. The consideration granted by Oak Consortium for the acquisition of the Oak Holdings 1 Sold Shares was EUR 32.00 per Oak Holdings 1 Sold Share, which arithmetically corresponds to a (indirect) purchase price per Vantage Towers Share of also EUR 32.00. This consideration is equal to the Offer Consideration.
- (f) On 22 March 2023, Oak Holdings 2 contributed the Vantage Towers Contribution Shares to the Bidder against the issuance of new shares in the Bidder. The value of the consideration granted by the Bidder for the acquisition of the Vantage Towers Contribution Shares amounted to EUR 27.69 per Vantage Towers Share and thus was below the Offer Consideration (see the announcement pursuant to section 23 para. 2 Takeover Act under the Takeover Offer of 23 March 2023).

- (g) On 22 March 2023, the Bidder acquired from Vodafone GmbH the Vantage Towers Sold Shares for a purchase price of EUR 32.00 per Vantage Towers Sold Shares (see Section 6.8.4(iv) of this Offer Document). This consideration is equal to the Offer Consideration.
- (h) On 22 March 2023, the Bidder acquired upon settlement of the Takeover Offer 38,114,198 Vantage Towers Shares for which the Takeover Offer had been accepted (including the 12,286,625 Vantage Towers Shares tendered under the Irrevocable Undertaking and the 20,833,333 Vantage Towers Shares tendered by Vodafone), corresponding to approx. 7.54% of the share capital and voting rights in Vantage Towers at the Takeover Offer's offer price of EUR 32.00 (see Section 6.8.5 of this Offer Document). This consideration equals the Offer Consideration.

Otherwise, neither the Bidder, nor any person acting jointly with the Bidder, nor their subsidiaries acquired Vantage Towers Shares or entered into agreements which entitled them to acquire Vantage Towers Shares in the aforementioned relevant time period (see Section 6.8 of this Offer Document).

- (ii) Pursuant to 39 para. 3 sentence 2 of the Stock Exchange Act in conjunction with sections 31 paras. 1 and 7 of the Takeover Act and section 5 of the Takeover Offer Regulation, the consideration must be in cash and at least equal to the volume-weighted average domestic stock exchange price of Vantage Towers Shares during the last six months prior to the publication of the decision to launch the Delisting Offer in accordance with section 10 para. 1 sentence 1 of the Takeover Act in conjunction with section 39 para. 2 sentence 3 no. 1 of the Stock Exchange Act by the Bidder on 20 March 2023. The relevant average price as at (and including) 19 March 2023 pursuant to section 5 of the Takeover Offer Regulation was notified by BaFin to be EUR 31.74 per Vantage Towers Share.

Therefore, in accordance with section 39 para. 3 sentence 2 of the Stock Exchange Act in conjunction with section 31 para. 1 of the Takeover Act and section 31 para. 7 of the Takeover Act in conjunction with sections 4 and 5 of the Takeover Offer Regulation the minimum consideration amounts to EUR 32.00 per Vantage Towers Share which corresponds to the Offer Consideration.

10.2 Offer Consideration

In determining the Offer Consideration, the Bidder considered the statutory requirements and the historical performance of the stock exchange prices of the Vantage Towers Share, as well as the Valuation Report (as defined below).

The Offer Consideration amounts to EUR 32.00 per Vantage Towers Share and thus equals the minimum consideration for Vantage Towers Shares determined in accordance with section 39 para. 3 sentence 2 of the Stock Exchange Act in conjunction with section 31 para. 1 and para. 7 of the Takeover Act in conjunction with sections 3 to 5 of the Takeover Offer Regulation (see Section 10.1 of this Offer Document).

Valuation reports are a well acknowledged basis for determining an appropriate consideration for business enterprises of any type. In connection with the DPLTA, Grant Thornton AG Wirtschaftsprüfungsgesellschaft ("**Grant Thornton**") on 22 March 2023 provided an independent expert opinion on the adequate cash compensation ("*Barabfindung*") within the meaning of section 305 of the Stock Corporation Act and on the

adequate dividend-replacing recurring compensation (*“Ausgleich”*) within the meaning of section 304 of the Stock Corporation Act. For the determination of the adequate cash compensation and the adequate dividend-replacing recurring compensation, Grant Thornton prepared a valuation of Vantage Towers based on the method of discounted earnings (*“Ertragswertverfahren”*) pursuant to the IDW standard “Principles for the Performance of Business Valuations” (IDW S 1 in the version of 2008) (the **“Valuation Report”**). In the Valuation Report, Grant Thornton determined the adequate cash compensation for the Vantage Towers Shares to be EUR 27.85 as of the valuation date 5 May 2023. The results of Grant Thornton’s valuation and the adequacy of the cash compensation of EUR 27.85 were confirmed by the independent court appointed auditor within the meaning of section 293b of the Stock Corporation Act, I-ADVISE AG. The Offer Consideration of EUR 32.00 per Vantage Towers Share includes a premium of EUR 4.15 or 14.9% per Vantage Towers Share on the value determined per Vantage Towers Share in the Valuation Report.

The stock exchange price is a well acknowledged basis for determining an appropriate consideration for shares listed on a stock exchange. The Vantage Towers Shares are admitted to trading on the regulated market of the Frankfurt Stock Exchange (Prime Standard), are included in the Berlin Second Regulated Market and are also traded on the regulated unofficial market (*Freiverkehr*) of the stock exchanges in Berlin, Düsseldorf, Hamburg, Hanover, Munich and Stuttgart as well as via Tradegate Exchange. The Vantage Towers Shares are included in the MDAX and in the TecDAX and demonstrate functioning stock exchange trading with a sizeable free float and adequate trading activity and volume.

However, the Bidder is of the opinion that the price of the Vantage Towers Shares was, since 9 November 2022, affected by the publication of the Bidder’s decision to launch the Takeover Offer at the offer consideration of EUR 32.00 and that consequently, 8 November 2022 was the last stock exchange trading day on which the share price of the Vantage Towers Shares was not influenced by the Bidder’s announcement to make the Takeover Offer. This is because the price movements after the publication of the Bidder’s decision to launch the Takeover Offer on 9 November 2022 show that trading subsequently became detached from the stand alone fair market value per share.

Based on the historical stock exchange price of the Vantage Towers Shares prior to the publication of the decision of the Bidder to make the Takeover Offer on 9 November 2022, the Offer Consideration of EUR 32.00 per Vantage Towers Share includes the following premia:

- The stock exchange price (XETRA closing price) on 8 November 2022, the last trading day prior to the publication of the decision of the Bidder to launch the Takeover Offer, amounted to EUR 29.30 per Vantage Towers Share. Based on this stock exchange price, the Offer Consideration of EUR 32.00 per Vantage Towers Share includes a premium of EUR 2.70 or 9.2% per Vantage Towers Share.
- The volume weighted average XETRA stock exchange price in the last month prior to and including 8 November 2022, the last trading day prior to the publication of the decision of the Bidder to launch the Takeover Offer, amounted to EUR 27.14 per Vantage Towers Share. Based on this stock exchange price, the Offer Consideration of EUR 32.00 per Vantage Towers Share includes a premium of EUR 4.86 or 17.9% per Vantage Towers Share.

- The volume weighted average domestic stock exchange price in the last three months prior to and including 8 November 2022, the last trading day prior to the publication of the decision of the Bidder to launch the Takeover Offer, was notified by BaFin to be EUR 26.89 per Vantage Towers Share. Based on this stock exchange price, the Offer Consideration of EUR 32.00 per Vantage Towers Share includes a premium of EUR 5.11 or 19% per Vantage Towers Share.
- The volume weighted average XETRA stock exchange price in the last six months prior to and including 8 November 2022, the last trading day prior to the publication of the decision of the Bidder to launch the Takeover Offer, amounted to EUR 27.68 per Vantage Towers Share. Based on this stock exchange price, the Offer Consideration of EUR 32.00 per Vantage Towers Share includes a premium of EUR 4.32 or 15.6% per Vantage Towers Share.

The historical stock exchange prices for the Vantage Towers Share referred to above (with the exception of the weighted six months average price notified in accordance with Section 10.1(ii) of this Offer Document) were taken from Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*).

10.3 Adequacy of the Offer Consideration

For determining the adequacy of the Offer Consideration, the Bidder took into account (i) the historical stock exchange prices and the Valuation Report as set out in Section 10.2 of this Offer Document and (ii) recommendations made by research analysts prior to 9 November 2022.

If one compares the Offer Consideration of EUR 32.00 per Vantage Towers Share with the adequate cash compensation determined in the Valuation Report for the DPLTA and the historical stock exchange prices as set out in Section 10.2 of this Offer Document, it becomes clear that the Offer Consideration significantly exceeds the valuation of the Vantage Towers Share by Grant Thornton and the capital market and that the Offer Consideration includes a substantial premium on historical stock exchange prices.

Finally, the following table gives an overview of recommendations of research analysts until 8 November 2022, the last trading day prior to the publication of the decision of the Bidder to launch the Takeover Offer. As described in Section 10.2, the Bidder takes the view that after this date, Vantage Towers Shares no longer traded on Vantage Towers' stand alone fair market value but are influenced by the Transaction and speculation on compensation in connection with the DPLTA. The Offer Consideration of EUR 32.00 exceeds the median target price of EUR 31.00 for Vantage Towers Shares as set out in the analyst reports prior to the publication of the decision of the Bidder to launch the Takeover Offer per Vantage Towers Share by 3.23%.

The Bidder therefore holds the view that the Offer Consideration in the amount of EUR 32.00 per Vantage Towers Share is an appropriate consideration within the meaning of section 39 para. 3 sentence 2 of the Stock Exchange Act in conjunction with section 31 para. 1 of the Takeover Act. Beyond that, the Bidder has not applied any other valuation method to determine the Offer Consideration.

According to their reasoned statement dated 20 December 2022 issued in connection with the preceding Takeover Offer, the management board and the supervisory board of Vantage Towers also considered an offer consideration of EUR 32.00 to be fair, adequate and attractive at that point in time.

11 Acceptance and settlement of the Delisting Offer

11.1 Central Settlement Agent

The Bidder has appointed UBS Europe SE, Frankfurt am Main, Germany (the “**Central Settlement Agent**”), to act as central settlement agent in connection with the Delisting Offer.

11.2 Acceptance of the Delisting Offer

Vantage Towers Shareholders who wish to accept the Delisting Offer should contact their Custodian Bank (as defined below) with any questions about the technical aspects of the acceptance of the Delisting Offer and its settlement. The Custodian Banks have been informed separately about the procedures for the acceptance and settlement of the Delisting Offer and are required to inform customers who hold Vantage Towers Shares in their securities deposit accounts about the Delisting Offer and the steps required to accept it.

Vantage Towers Shareholders may only accept the Delisting Offer by

- (i) declaring acceptance of the Delisting Offer in writing (*Textform*) or electronically (the “**Declaration of Acceptance**”) *vis-à-vis* the investment services enterprise maintaining the relevant shareholder’s securities account (the “**Custodian Bank**”), and
- (ii) instructing their Custodian Bank to effect without undue delay the booking of the Vantage Towers Shares which are held in their securities deposit account and for which they wish to accept the Delisting Offer into ISIN DE000A35JRX8.

Until transfer of the Vantage Towers Shares in relation to which the Delisting Offer has been accepted within the Acceptance Period to the securities account of the Central Settlement Agent with Clearstream, the Vantage Towers Shares specified in the Declaration of Acceptance remain credited to the respective securities account of the accepting Vantage Towers Shareholders, but are re-booked to a different ISIN at Clearstream and in the securities account of the accepting Vantage Towers Shareholder and thus identified as tendered Vantage Towers Shares (ISIN DE000A35JRX8).

The Declaration of Acceptance will only become effective upon the tendered Vantage Towers Shares having been re-booked to the relevant ISIN in time (the “**Tendered Vantage Towers Shares**”). As a prerequisite, the Declaration of Acceptance must be delivered to the relevant Custodian Bank within the Acceptance Period. If a Declaration of Acceptance has been delivered to the relevant Custodian Bank within the Acceptance Period, the re-booking of the Vantage Towers Shares will be considered to have been performed in time if the re-booking at Clearstream has occurred no later than 18:00 hrs (local time Frankfurt am Main, Germany) on the second banking day following expiry of the Acceptance Period. Such re-bookings are to be arranged for by the Custodian Bank without undue delay after receipt of the Declaration of Acceptance.

Declarations of Acceptance not received by the respective Custodian Bank within the Acceptance Period, or erroneously or incompletely filled out, will not be regarded as acceptance of the Delisting Offer and do not entitle the respective Vantage Towers Shareholder to receive the Offer Consideration. Neither the Bidder nor persons acting on its behalf are obliged to notify the respective Vantage Towers Shareholder of any deficiencies or errors in the Declaration of Acceptance and bear no liability if such notification is not made.

11.3 Further declarations by Vantage Towers Shareholders accepting the Delisting Offer

The following declarations are partly explained in more detail in Sections 11.4 and 11.5 of this Offer Document.

By accepting the Delisting Offer pursuant to Section 11.2 of this Offer Document:

- (i) the accepting Vantage Towers Shareholders instruct and authorise their respective Custodian Bank and any intermediate custodian of the relevant Tendered Vantage Towers Shares:
 - to leave the Tendered Vantage Towers Shares in the securities account of the accepting Vantage Towers Shareholder for the time being, but to cause them to be re-booked under ISIN DE000A35JRX8 (Tendered Vantage Towers Shares) at Clearstream;
 - to itself instruct and authorise Clearstream to make the Tendered Vantage Towers Shares available to the Central Settlement Agent on its securities

account (no. 7008) held with Clearstream for transfer of ownership to the Bidder following expiry of the Acceptance Period;

- to itself instruct and authorise Clearstream to transfer ownership of the Tendered Vantage Towers Shares (ISIN DE000A35JRX8) in each case including all rights attaching thereto, in particular the dividend or compensation entitlement at the time this Delisting Offer is settled following expiry of the Acceptance Period, to the Bidder simultaneously with (*Zug um Zug gegen*) payment of the Offer Consideration for the relevant Tendered Vantage Towers Shares to the account of the relevant Custodian Bank with Clearstream in accordance with the provisions of the Delisting Offer;
 - to itself instruct and authorise any intermediate custodians of the relevant Tendered Vantage Towers Shares and Clearstream to make available to the Bidder or to the Central Settlement Agent all information necessary for declarations and publications of the Bidder pursuant to the Takeover Act, in particular to inform the Bidder, on each stock exchange trading day during the Acceptance Period, of the number of Vantage Towers Shares re-booked under ISIN DE000A35JRX8 (Tendered Vantage Towers Shares); and
 - to forward the Declaration of Acceptance and, if applicable, a declaration of withdrawal with regard to the Delisting Offer to the Central Settlement Agent, upon request;
- (ii) the accepting Vantage Towers Shareholders instruct and authorise their respective Custodian Bank and the Central Settlement Agent, in each case with an exemption from the prohibition of contracting with oneself pursuant to section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*), to take all steps and to make and receive all declarations necessary or expedient for the settlement of this Delisting Offer in accordance with this Offer Document, and in particular to procure the transfer of ownership of the Tendered Vantage Towers Shares to the Bidder following expiry of the Acceptance Period;
- (iii) the accepting Vantage Towers Shareholders declare that:
- unless expressly stated otherwise in the Declaration of Acceptance, they accept the Delisting Offer for all Vantage Towers Shares held in their securities account with the Custodian Bank at the time at which they declare their acceptance of the Delisting Offer;
 - at the time of transfer of ownership to the Bidder, the Vantage Towers Shares in respect of which they are accepting the Delisting Offer are in their sole ownership and free from rights and claims of third parties;
 - they are transferring their Tendered Vantage Towers Shares to the Bidder simultaneously with (*Zug um Zug gegen*) payment of the Offer Consideration into the account of the relevant Custodian Bank with Clearstream subject to the condition precedent that the Acceptance Period has expired.

In the interest of a smooth and prompt settlement of the Delisting Offer, the instructions, declarations, mandates, powers and authorisations listed in Sections 11.3(i) to (iii) of this Offer Document are granted irrevocably by the accepting Vantage Towers Shareholders. They shall lapse only in the event of a valid withdrawal, in accordance with Section 16 of this

Offer Document, from the agreement entered into as a result of the acceptance of the Delisting Offer. The claim for delivery of the declaration of withdrawal shall remain valid even following a valid withdrawal.

11.4 Legal consequences of acceptance

Upon acceptance of the Delisting Offer, an agreement on the sale of the Tendered Vantage Towers Shares to the Bidder against payment of the Offer Consideration for the relevant number of Tendered Vantage Towers Shares is entered into between the Bidder and each accepting Vantage Towers Shareholder on the terms set forth in this Offer Document.

By accepting the Delisting Offer, the accepting Vantage Towers Shareholder and the Bidder at the same time agree on the transfer of title to the Tendered Vantage Towers Shares to the Bidder in accordance with the terms set forth in this Offer Document. The ownership of the Tendered Vantage Towers Shares is transferred simultaneously with (*Zug um Zug gegen*) the payment of the Offer Consideration for the relevant number of Tendered Vantage Towers Shares into the account of the relevant Custodian Bank with Clearstream.

Upon transfer of title to the Tendered Vantage Towers Shares to the Bidder, all rights associated with these shares at the time of the settlement of the Delisting Offer (in particular the dividend or compensation entitlement) shall transfer to the Bidder.

Furthermore, by accepting the Delisting Offer, the accepting Vantage Towers Shareholder irrevocably makes the declarations, instructions, orders, powers of attorney, and authorisations set out in Section 11.3 of this Offer Document.

11.5 Settlement of the Delisting Offer and receipt of the Offer Consideration

The Delisting Offer will be settled by payment of the Offer Consideration as consideration for the Tendered Vantage Towers Shares.

The Central Settlement Agent will transfer the Offer Consideration, as consideration for the Tendered Vantage Towers Shares, to the relevant Custodian Bank, without undue delay, after the end of the Acceptance Period, at the latest, however, eight banking days after the publication of the Delisting Offer's results pursuant to section 23 para. 1 sentence 1 no. 3 of the Takeover Act.

Once the Offer Consideration has been credited to the account held by the relevant Custodian Bank with Clearstream, the Bidder will have fulfilled its obligation to pay the Offer Consideration for the Tendered Vantage Towers Shares. The relevant Custodian Bank will be responsible for transferring the Offer Consideration to the Vantage Towers Shareholders.

11.6 Costs and expenses

The acceptance of the Delisting Offer will, in principle, be free of costs and expenses (except for the costs incurred for submitting the Declaration of Acceptance to the respective Custodian Bank) for those Vantage Towers Shareholders who hold their Vantage Towers Shares in collective safe custody with a Custodian Bank in Germany, provided that the Custodian Bank in turn either directly or via a transaction bank holds such Vantage Towers Shares in custody in a securities account maintained by or for such Custodian Bank or for a specific bank group at Clearstream. For this purpose, the Bidder shall grant to the Custodian Banks a compensation payment of which they shall be separately notified and which includes a custodian bank commission customary in the market. Costs and expenses

imposed by other Custodian Banks or foreign intermediate custodians shall be borne by each accepting Vantage Towers Shareholder.

Any taxes and levies related to the conclusion of the purchase agreement and the transfer of the Tendered Vantage Towers Shares against payment of the Offer Consideration must be borne by the relevant accepting Vantage Towers Shareholder.

11.7 Stock exchange trading in Tendered Vantage Towers Shares

It is not intended to organise trading or apply for admission to trading on a stock exchange of the Tendered Vantage Towers Shares under ISIN DE000A35JRX8. Vantage Towers Shareholders who have accepted the Delisting Offer will therefore no longer be able to trade their Tendered Vantage Towers Shares on the stock exchange once the Tendered Vantage Shares have been booked into ISIN DE000A35JRX8.

Any Vantage Towers Shares not tendered for sale will continue to be traded under ISIN DE000A3H3LL2 until the Delisting takes effect.

12 Official approvals and proceedings

The publication of this Delisting Offer has been permitted by BaFin on 5 April 2023. No further regulatory approvals, authorisations or procedures are required in connection with the publication of the Offer Document.

13 No completion conditions of the Delisting Offer

The Delisting Offer is a public delisting offer in accordance with section 39 para. 2 sentence 3 no. 1 of the Stock Exchange Act. Pursuant to section 39 para. 3 sentence 1 of the Stock Exchange Act, the Delisting Offer must not be subject to completion conditions. The agreements that will be entered into between the Bidder and the accepting Vantage Towers Shareholders are therefore not subject to any completion conditions.

14 Financing of the Delisting Offer; cash confirmation

14.1 Financing requirements

On the date of publication of the Offer Document, 505,782,265 Vantage Towers Shares have been issued. If the Delisting Offer was accepted for all Vantage Towers Shares not already held by the Bidder, the Bidder would have to finance, based on the Offer Consideration in the amount of EUR 32.00 per Vantage Towers Share, an amount of EUR 1,738,251,488 (the “**Maximum Consideration Amount**”). Furthermore, transaction costs in the amount of max. EUR 1.25 million (the “**Transaction Costs**”) will be incurred in connection with the preparation and implementation of the Delisting Offer. Therefore, based on the Maximum Consideration Amount and the Transaction Costs, the maximum total to be paid is EUR 1,739,501,488 (the “**Maximum Offer Costs**”).

14.2 Financing measures

Prior to the publication of the Offer Document, the Bidder has taken all measures necessary to ensure that it has at its disposal the financial means necessary to fulfil the Delisting Offer in full at the time when the claims for the Offer Consideration fall due.

The Bidder has access to a committed facility in an amount equal to EUR 1.75 billion made available under a facilities agreement dated 2 March 2023 and entered into between, among

others, Oak Holdings 2 as original borrower, the Bidder as original borrower, BNP Paribas, Crédit Agricole Corporate and Investment Bank, Landesbank Baden-Württemberg, Mizuho Bank Europe N.V., MUFG Bank (Europe) N.V. Germany Branch, Banco Santander S.A., Frankfurt Branch, Sumitomo Mitsui Banking Corporation, Filiale Düsseldorf, Zweigniederlassung der Sumitomo Mitsui Banking Corporation with seat in Tokyo, SMBC Bank EU AG and UniCredit Bank AG as original initial facilities lenders and Kroll Agency Services Limited as original initial facilities agent (the “**Facilities Agreement**”). The committed facility may be used *inter alia* to fund acquisitions and the general corporate purposes of Oak Holdings 2, the Bidder and the Group (as defined in the Facilities Agreement) and, thus, also for the settlement of payment obligations of the Bidder in connection with the Delisting Offer. Oak Holdings 2 has committed for the benefit of the Bidder not to utilise the committed facility prior to the settlement of the Delisting Offer to the extent that such funds are required for the settlement of the Delisting Offer. The aggregate funds available to the Bidder under the Facilities Agreement exceed the Maximum Offer Costs.

As of the date of this Offer Document, the average expected interest rate to be paid for drawings made by the Bidder under the Facilities Agreement for the next year amounts to EURIBOR plus 2.15% p.a.

The funds under the committed facility are available to the Bidder provided certain conditions precedent are fulfilled. The Bidder has no reason to believe that the conditions for any such draw-down will not be fulfilled. In addition, the committed facility has not been terminated, and, to the knowledge of the Bidder, there is no reason to expect that the committed facility will be terminated.

The financing of the Delisting Offer under the Facilities Agreement does not depend on the implementation of a domination and/or profit and loss transfer agreement.

The Bidder may replace in the future the financing of the Delisting Offer under the Facilities Agreement with other financing means, including with an equity financing component, in each case, on a basis that complies with the prerequisites of section 13 para. 1 of the Takeover Act.

Accordingly, the Bidder has taken all measures necessary to ensure that it has at its disposal sufficient means to fulfil the Delisting Offer in full at the time when the claims for the Offer Consideration fall due.

14.3 Cash confirmation

Morgan Stanley Europe SE, having its seat in Frankfurt am Main, Germany, an investment services enterprise independent of the Bidder, have provided a confirmation pursuant to section 13 para. 1 sentence 2 of the Takeover Act that the Bidder has taken all measures necessary to ensure that it has at its disposal the necessary means to fully perform the aforementioned Delisting Offer at the time the claim for the Offer Consideration will be due. The cash confirmation from Morgan Stanley Europe SE dated 4 April 2023 is attached to this Offer Document as **Annex 9**.

15 Effects of completion of the Delisting Offer on the assets, financial position and results of operations of the Bidder

This Section 15 describes the effects of the completion of the Delisting Offer on the assets, financial position and results of operations of the Bidder as the immediate shareholder of Vantage Towers.

15.1 Initial situation

The information contained in this Section 15 is based on the following initial situation:

- (i) From the date of their incorporation until the date of publication of this Offer Document, the Bidder did not carry out any business activities with the exception of the activities in connection with the Investment Agreement and the Takeover Offer as well as the transactions stipulated in this Offer Document and has therefore not yet generated any revenues and profits. Neither audited balance sheets nor profit and loss accounts of the Bidder are available, but only the unaudited opening balance sheet prepared by the Bidder as of 26 October 2022.
- (ii) The completion of the Transaction and the Takeover Offer had the following effects on the assets, financial position and results of operations of the Bidder as of 26 October 2022 (simplified and unaudited):
 - The financial assets of the Bidder have increased by TEUR 14,446,781 to TEUR 14,446,781.
 - The liquid funds of the Bidder remain in the amount of TEUR 13.
 - The subscribed capital of the Bidder has increased by TEUR 404,143 to TEUR 404,168.
 - The capital reserves of the Bidder have increased by TEUR 14,042,638 to TEUR 14,042,625.
- (iii) The Offer Consideration under the Delisting Offer amounts to EUR 32.00.
- (iv) No synergies arise as a result of the acquisition of the Vantage Towers Group.

15.2 Assumptions

In addition, the information contained in this Section 15 is, in particular, based on the following assumptions:

- (i) For the purpose of describing the effects of the Delisting Offer on the assets, financial position and results of operations of the Bidder (to the extent relevant), it is assumed that the Bidder within the framework of the Delisting Offer, will acquire all of the 54,320,359 Vantage Towers Shares held by other shareholders at an Offer Consideration of EUR 32.00 per Vantage Towers Share. This will result in an arithmetical total purchase price for the Delisting Offer of EUR 1,738,251,488.00.
- (ii) The funds required to effect the payment of the Maximum Offer Costs of EUR 1,739,501,488.00 will be provided to the Bidder by way of debt financing by external lenders.
- (iii) The exact amount of the costs which the Bidder has to pay in connection with the Delisting Offer cannot yet be reliably determined. The description of the assets,

liabilities, financial position and results is based on the (simplified) assumption that the Transaction Costs in the amount of EUR 1,250,000.00 will be expensed.

- (iv) For the purpose of simplification, tax effects on the Bidder have not been taken into account.
- (v) Exchange rate fluctuations have not been taken into account.

15.3 Methodology and reservations

In order to assess the expected effects of the Delisting Offer on the assets, financial position and results of operations of the Bidder (to the extent relevant), the Bidder made a preliminary and unaudited assessment of the assets, financial position and results of operations of the Bidder, which would have resulted on the basis of the accounting provisions of the German Commercial Code (*Handelsgesetzbuch*, the “**German Commercial Code**”) in the event of the settlement of the Delisting Offer.

Below, based on the initial situation and assumptions set out in Section 15.1 and 15.2 of this Offer Document, this preliminary and unaudited assessment of the Bidder’s assets and financial position will be compared to the Bidder’s unaudited opening balance sheet as at 26 October 2022. The expected effects on the results of operations of the Bidder will be presented based on future expected results because the Bidder had no operations before other than in connection with its foundation, the Investment Agreement and the Takeover Offer as well as this Delisting Offer.

Irrespective of the above, it should be noted that the effects of the Delisting Offer on the future assets, financial position and results of operations of the Bidder cannot be accurately predicted today.

Figures are partly disclosed in thousands of EUR (TEUR) within this Section 15. Numbers in conjunction with the Transaction, the Takeover Offer and the Delisting Offer are disclosed without exact decimal digits.

15.4 Expected effects on the Bidder’s individual financial statements

15.4.1 Expected effects on the unaudited individual balance sheet of the Bidder as at 26 October 2022

The preparation of the following information is exclusively carried out in order to satisfy statutory requirements pursuant to the Takeover Act in the context of this Delisting Offer. Due to its nature, they do not reflect the actual situation with regard to the financial position and financial results of the Bidder. The individual financial statements of the Bidder are prepared in accordance with the German Commercial Code.

Subject to the assumptions and reservations made in Section 15.2 and 15.3 of this Offer Document and based on its current assessments, the Bidder expects that the completion of the Delisting Offer will have the following effects on its individual balance sheet as of 26 October 2022 (simplified and unaudited):

TEUR	unaudited					
	Balance sheet according to German Commercial Code*)	Bidder as of 26 October 2022	Bidder after consummation of the Transaction and the Takeover Offer	Debt financing	Settlement of the Delisting Offer	Bidder after Settlement of Delisting Offer

*) Numbers are rounded. Financial figures in brackets are negative values. A dash ("-") means that the respective financial position is not affected. Any potential deviations from the calculatory result is based on rounding differences.

- The financial assets of the Bidder will increase from TEUR 14,446,781 by TEUR 1,738,251 to TEUR 16,185,032 due to the settlement of the Delisting Offer.
- The liquid funds of the Bidder will initially increase from TEUR 13 by TEUR 1,738,251 to TEUR 1,738,264 as a result of the drawdowns under the debt financing (see Section 14.2 of this Offer Document) in connection with the settlement of the Delisting Offer in the amount of TEUR 1,739,501 deducted by TEUR 1,250 Transaction Costs. Due to the payment of the Offer Consideration under the Delisting Offer, the funds will then be decreased by TEUR 1,738,251 to TEUR 13.
- The liabilities of the Bidder will be increased from TEUR 0 by TEUR 1,739,501 to TEUR 1,739,501 as a result of the drawdowns under the debt financing in connection with the settlement of the Delisting Offer (see Section 14.2 of this Offer Document).

15.4.2 Results

The Bidder's future results of operation will essentially consist of negative income at the Bidder due to the expected initial annual interest expenses in the amount of approx. TEUR 90,000 for the financing liabilities and positive income from its investment in Vantage Towers, i.e. dividends and – upon implementation of the DPLTA – the transferred profits from Vantage Towers under the DPLTA. On the assumption that the DPLTA would be concluded with the economic effect of 1 April 2023, the Bidder would receive dividend payments for the financial year 2022/2023 of Vantage Towers.

Under the DPLTA, Vantage Towers would be obliged to transfer its annual profit (*Jahresüberschuss*) reduced by any loss carried forward from the previous year, amounts to be transferred to the statutory reserve and the amounts blocked from distribution in accordance with Section 268 para. 8 of the German Commercial Code for each business year during the term of the DPLTA. On the other hand, the Bidder is obliged to balance any net annual loss of Vantage Towers during the term of the DPLTA. The amount of this future income is uncertain. Vantage Towers distributed a dividend of EUR 0.56 per Vantage Towers Share for the financial year 2020/2021 and EUR 0.63 per Vantage Towers Share for the Vantage Towers Financial Year

2021/2022. It is, however, impossible to predict whether and to what amount Vantage Towers will pay a dividend or generate annual profits transferrable under the DPLTA in the future. The Valuation Report assumes a distribution of EUR 0.04 per Vantage Towers Share. Failing better indications, the Bidder endorses this assumption. Afterwards, the Bidder would be entitled to profits under the DPLTA for the following financial years net of applicable taxes, if any. For the financial years 2023/2024 and 2024/2025 of Vantage Towers, profits after taxes in the amount of EUR 353 and 374 million, respectively, were expected on the basis of the business plan of Vantage Towers in the Valuation Report which would then be subject to distribution.

16 Right of withdrawal

16.1 Prerequisites

Vantage Towers Shareholders who have accepted the Delisting Offer have the following statutory rights of withdrawal (*Rücktrittsrechte*):

- (i) In the event of an amendment of this Delisting Offer pursuant to section 21 para. 1 of the Takeover Act, Vantage Towers Shareholders may, at any time until the expiry of the Acceptance Period, withdraw from the agreements entered into as a result of acceptance of the Delisting Offer if and to the extent that they have accepted the Delisting Offer prior to the publication of the amendment of the Delisting Offer (section 21 para. 4 of the Takeover Act).
- (ii) In the event of a Competing Offer pursuant to section 22 para. 1 of the Takeover Act, Vantage Towers Shareholders may, at any time until the expiry of the Acceptance Period, withdraw from the agreements entered into as a result of acceptance of the Delisting Offer if and to the extent that they have accepted the Delisting Offer prior to the publication of the offer document for the Competing Offer (section 22 para. 3 of the Takeover Act).

16.2 Exercise of the right of withdrawal

Vantage Towers Shareholders may exercise their right of withdrawal pursuant to Section 16.1 of this Offer Document only by taking the following steps prior to the expiry of the Acceptance Period:

- (i) Declaring their withdrawal *vis-à-vis* their Custodian Bank in writing (*Textform*) or electronically for a specified number of Tendered Vantage Towers Shares; and
- (ii) instructing their Custodian Bank to arrange for a respective number of Tendered Vantage Towers Shares held in their securities account as is equivalent to the number of Tendered Vantage Towers Shares in respect of which they have declared their withdrawal to be re-booked under the ISIN DE000A3H3LL2 at Clearstream.

The declaration of withdrawal will only become effective if the Tendered Vantage Towers Shares in respect of which the withdrawal has been declared have been re-booked under ISIN DE000A3H3LL2 at Clearstream by no later than 18:00 hrs (local time Frankfurt am Main, Germany) on the second banking day after expiry of the Acceptance Period. This re-booking must be procured by the Custodian Bank following receipt of the declaration of withdrawal without undue delay.

17 Information for Vantage Towers Shareholders not accepting the Delisting Offer

Vantage Towers Shareholders that do not intend to accept the Delisting Offer should consider the following aspects:

17.1 Possible further reduction of the free float and liquidity of Vantage Towers Shares

The Bidder and Vantage Towers have entered into the Delisting Agreement, pursuant to which Vantage Towers has undertaken, subject to certain conditions, to apply for the revocation of the admission of the Vantage Towers Shares to trading on the regulated market (*Regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*). The revocation for trading shall not become effective prior to the end of the Acceptance Period.

The completion of the Delisting Offer is expected to result in a further reduction of the free float of Vantage Towers Shares. In light of this, it is expected that, after the completion of the Delisting Offer, the supply and demand of Vantage Towers Shares will be lower than it is today and, as a result, the liquidity of Vantage Towers Shares will decrease. If liquidity of the market for Vantage Towers Shares is lower, this might result in greater fluctuations in the price of Vantage Towers Shares than in the past; consequently, it is possible that purchase and sell orders in respect of Vantage Towers Shares cannot be executed in the short term, if at all. Furthermore, it is possible that, as a result of the Delisting, Vantage Towers Shares will no longer be traded on a stock exchange and therefore the fungibility of Vantage Towers Shares will be severely restricted.

Vantage Towers Shares are currently included in the MDAX and in the TecDAX, indices calculated by Deutsche Börse AG. Upon effectiveness of the Delisting, the inclusion of the Vantage Towers Shares in these indices will end.

17.2 Majority of the Bidder at Vantage Towers' general meeting

As a result of the Transaction and the Takeover Offer, the Bidder has acquired the majority of voting rights required to resolve on important measures at the general meeting of Vantage Towers. This includes, for example electing and removing supervisory board members to be elected by the shareholders, amending the articles of association of Vantage Towers (other than the object's clause), approving dividend distributions, or carrying out ordinary capital increases.

17.3 Domination and profit and loss transfer agreement

As already published in the notification of the Bidder's decision to make the Takeover Offer in accordance with section 10 para. 1 sentence 1 of the Takeover Act and Vantage Towers' corresponding ad hoc notification, both dated 9 November 2022, the Bidder intends to enter into a domination and profit and loss transfer agreement pursuant to sections 291 et seq. of the Stock Corporation Act with Vantage Towers as controlled entity. On 23 March 2023, the management board and the supervisory board of Vantage Towers approved the final draft of the DPLTA. The DPLTA requires for its effectiveness the approval of the general meeting of Vantage Towers as well as the approval of the shareholders' meeting of the Bidder. The approving resolution of the shareholders' meeting of the Bidder shall be adopted on 4 May 2023. The approving resolution of the general meeting of Vantage Towers shall be adopted at the extraordinary general meeting of Vantage Towers on 5 May 2023.

Upon effectiveness of the DPLTA, the Bidder would be entitled to give binding instructions to Vantage Towers' management board with regard to the management of Vantage Towers

and, thus, to exercise control over Vantage Towers' management. As a result of the effectiveness of the DPLTA, the Bidder would be obliged to compensate any annual net losses that would be incurred by Vantage Towers if no profit and loss transfer agreement was in place and which would not be offset by any withdrawals from other revenue reserves created during the term of the DPLTA. Conversely, Vantage Towers would be obliged to transfer to the Bidder (as dominating company) all annual net profits that would accrue without such transfer of profits, less any losses carried forward and any amounts appropriated to the legal reserves. Furthermore, the final draft of the DPLTA provides, amongst other things, for an obligation of the Bidder to (i) acquire, at the minority Vantage Towers Shareholders' request, the minority Vantage Towers Shareholders' Vantage Towers Shares, against payment of appropriate compensation in cash in the amount of EUR 27.85 per Vantage Towers Share, and (ii) to compensate the remaining minority Vantage Towers Shareholders by paying annually recurring compensation in the net amount of EUR 1.49 (gross amount before current corporate income tax and solidary surcharge of EUR 1.60) per Vantage Towers Share. The amounts of compensation in cash and the annually recurring compensation are determined based on the Valuation Report by Grant Thornton (see Section 10.2 of this Offer Document) based on the circumstances existing at the time when Vantage Towers' general meeting passes the relevant resolution on the DPLTA, i.e. on 5 May 2023. Grant Thornton will on 5 May 2023 provide an update statement (*Stichtagserklärung*) regarding their valuation. Based on the update statement, the amount of compensation provided for in the final draft of the DPLTA may change. I-ADVISE AG as independent court appointed auditor within the meaning of section 293b of the Stock Corporation Act confirmed the adequacy of the compensation in cash and the annual recurring compensation. The appropriateness of the amount of the compensation in cash can be reviewed in a judicial appraisal procedure.

17.4 Squeeze-out

If, at any time, the Bidder, directly or indirectly, holds the number of Vantage Towers Shares that a shareholder of a stock corporation must hold in order to be able to demand that the shares held by the minority shareholders be transferred to the principal shareholder in exchange for the granting of appropriate cash compensation, the Bidder, Vodafone and Oak Consortium intend to carry out the measures necessary for a squeeze-out of the minority Vantage Towers Shareholders under the Stock Corporation Act as already published in the notification of the Bidder's decision to make the Takeover Offer in accordance with section 10 para. 1 sentence 1 of the Takeover Act and Vantage Towers' corresponding ad-hoc notification, both dated 9 November 2022; for detail see Section 9.6.2 of this Offer Document. If the Bidder holds at least 90% of Vantage Towers' share capital, the Bidder intends, if commercially viable, to evaluate to carry out the exclusion of the outside Vantage Towers Shareholders in exchange for appropriate cash compensation pursuant to section 62 para. 5 of the German Transformation Act (*Umwandlungsgesetz*) in conjunction with sections 327a et seq. of the Stock Corporation Act (squeeze-out under transformation law).

18 Management Board and Supervisory Board of Vantage Towers

18.1 Cash payments and valuable benefits for members of the Management Board or the Supervisory Board of Vantage Towers

The Bidder intends (i) that Vantage Towers and its management board will engage in good faith discussions on the renewal and/or extension of the respective management board service agreements (see Section 9.4.1 of this Offer Document), noting that Mr Vivek

Badrinath does not wish to renew his term of office as CEO of Vantage Towers beyond 2023, and (ii) to support that Vantage Towers, subject to applicable law, establishes suitable successor long term incentive programs for its key employees and the members of the management board (see Section 9.5 of this Offer Document). At the date of the publication of this Offer Document, a final decision in this respect has, however, not been made.

Subject to generally applicable mandatory trading restrictions, the members of the management board and the supervisory board of Vantage Towers are free to accept the Delisting Offer for any of the Vantage Towers Shares held by them at the same terms and conditions as any other shareholder.

Other than that, neither members of the management board nor members of the supervisory board of Vantage Towers were granted, or given the prospect of, cash payments or other valuable benefits in connection with this Delisting Offer by the Bidder or persons acting jointly with it within the meaning of section 2 para. 5 of the Takeover Act.

18.2 Reasoned statement

Pursuant to section 27 para. 1 of the Takeover Act, the management board and the supervisory board of Vantage Towers are obliged to issue a reasoned statement with regard to the Delisting Offer as well as with regard to any amendments of the Delisting Offer. In accordance with section 27 para. 3 of the Takeover Act, the management board and the supervisory board of Vantage Towers are required to publish the reasoned statement in accordance with section 14 para. 3 sentence 1 of the Takeover Act without undue delay after receipt of the Offer Document and any amendments thereto from the Bidder.

19 Taxes

The Bidder recommends Vantage Towers Shareholders to seek tax advice with regard to the tax consequences of an acceptance of this Delisting Offer, in particular taking into account their personal financial circumstances, before accepting the Delisting Offer.

20 Results of the Delisting Offer and other announcements

The level of Vantage Towers Shares held by the Bidder, the persons acting jointly with the Bidder within the meaning of section 2 para. 5 of the Takeover Act and their subsidiaries, including the Vantage Towers Shares for which the Delisting Offer has been validly accepted, will be published weekly during the Acceptance Period pursuant to section 23 para. 1 sentence 1 no. 1 of the Takeover Act (i) on the internet at <https://angebot.wpueg.de/oak/> (in German language and with a non-binding English translation) and (ii) in German language also in the German Federal Gazette. During the last week of the Acceptance Period this publication will take place daily. The results of this Delisting Offer are expected to be published on the third banking day following the expiry of the Acceptance Period pursuant to section 23 para. 1 sentence 1 no. 2 of the Takeover Act.

Other declarations and announcements by the Bidder in connection with this Delisting Offer will be published on the internet at <https://angebot.wpueg.de/oak/> (in German language and with a non-binding English translation) and, to the extent required by law, in German language in the German Federal Gazette.

21 Governing law and place of jurisdiction

This Delisting Offer and the agreements coming into existence with the Bidder as a result of the acceptance of this Delisting Offer shall be governed by German law. The exclusive place of jurisdiction for all legal disputes arising out of, or in connection with, this Delisting Offer (and any agreements which are entered into as a result of the acceptance of this Delisting Offer) shall, to the extent legally permissible, be Frankfurt am Main, Germany.
